

BY DESIGN OR
BY DISASTER

HANDS-ON
CONFERENCE

26-28th
SEPTEMBER

BOZEN
BOLZANO

DESIGNDISASTER.UNIBZ.IT

Sustainability is unavoidable. It will happen anyway by the interplay of disastrous ecological, social and economic trends and events. But we could take initiatives: we can design and develop this transition in a process of collective decisions and actions.

This practice-oriented conference wants to explore design and developments for eco-social transformations by showing, discussing and experimenting within a transdisciplinary and participatory setting.

Faculty of Design and Art
Free University of Bozen Bolzano

CONFERENCE

STEFAN ZERBE

Ecology - Free University of Bozen Bolzano

**RESTORATION - DESIGNING
NEW ECOSYSTEMS?**

GREGOIRE WALLENBORN

Science and Technology Studies - Université Libre de Bruxelles

**FROM USER EMPOWERMENT
TO PRACTICE DESIGN**

URSULA TISCHNER

Econcept, Agency for Sustainable Design - Köln

**DESIGN FOR SUSTAINABILITY:
MORE COMPLICATED AND MORE
FUN THAN YOU THINK**

SUSANNE ELSÉN

Sociology - Free University of Bozen Bolzano

ECO-SOCIAL TRANSFORMATION

OPEN STATE

Participatory Design - Berlin

**EMERGENCY ENTRANCE
TO TOMMOROW**

PAOLO CIUCCARELLI

Information Design - density design, Politecnico di Milano

VISUALIZING CONTROVERSIES

SUSANA SOARES

Critical Design - London

DESIGN FOR THE NEW NATURAL

WORKSHOPS

BRAVE NEW ALPS & ADAM UND EPFL

**COMMUNICATION AND DESIGN
FOR PARTICIPATORY REGIONAL
DEVELOPMENT**

CECILIA PALMER/SUSANNA HERTRICH & L'ORTO SEMI-RURALI

**COMMUNITY DEVELOPMENT
AND DESIGN**
